Headteacher: Mr Calvin Henry

19<sup>th</sup> March 2020

Dear Parents & Carers,

In light of the government's announcement yesterday we are now trying to establish which of our children we need to cater for in the coming weeks.

- **Are you a keyworker? (see list below)**
- **Does your child receive Free School Meals?**

If either of these apply to you please click [HERE](#) to complete an online survey.

This survey will allow the school to plan our staffing provision and free school meal provision in the coming weeks. **Please complete this survey by 12.00pm Friday.** If you cannot access the survey please contact the school office as soon as possible.

If you are a key worker, there is no compulsion for your child to attend school but those children identified in the announcement yesterday will be provided for.

This is a list of what the government has described as keyworkers.

- Health workers
- Emergency Services personnel
- Supermarket delivery drivers
- Those in paid employment caring for the vulnerable and elderly
- NHS staff
- Teachers and childcare staff

If you think you are a keyworker and can't see your category of work, please still complete the survey.

If your child is given a key worker place at school in the coming weeks we expect children to attend every day that they are registered for – safeguarding rules will still apply and there will be an expectation that registered children will attend.

If your situation changes over the coming weeks please contact us – for example if you are self-isolating at the moment but hope to return to your key working role, please also complete the survey.

Yours sincerely

*Calvin Henry.*
