Dear Parents and Carers,

- The on-line application process will be explained
- You will be able to meet and mingle with representatives from local secondary schools
- You will hear short presentations from each school
- You will be able to ask questions that you may have about the application process or schools

We currently have representatives from the following schools confirmed to attend:

Secondary School Open Events

Open Events are organised by each school for prospective applicants. This year most are in person rather than online. Please see the attached schedule to see the list of Open Events in the coming weeks. Please do check the website of each school to reconfirm the details of their events, in case there has been any last minute changes.

Haringey Secondary Admissions booklet

In the meantime, please familiarise yourself the section of the Haringey Council website that deals with secondary applications - [Starting Secondary School in Sept 2022](#) as well as reading their booklet - [Applying for secondary school booklet](#).

I look forward to seeing as many of you as possible at the virtual meeting on Thursday 23rd September for a prompt start at 6pm.
